

Tickets for the John M. Dunn Memorial to Go On Sale To-Day

PLAN GREAT SHOW TO MEMORY OF DUNN

Dr. Wm. H. Parker to Act as Treasurer of Memorial Fund—One Hundred and Fifty Boys to Distribute Tickets This Morning.

Shortly after 10 o'clock this morning tickets for the John M. Dunn memorial entertainment to be given at the Academy of Music next Tuesday afternoon and night will go on sale at the various cigar and drug stores throughout the city where tickets are usually sold. At 10 o'clock Olin Richardson, chairman of the ticket committee, and Dr. Wm. H. Parker, who has been chosen treasurer of the memorial fund, will meet at the Academy of Music and counter-sign the tickets, which will then be distributed throughout the city by 150 amateur baseball players all of whom are anxious to do their part towards the memory of the man who devoted much of his time and energy to amateur sports in Richmond.

That there will be ready sale of the tickets goes without saying for the memorial entertainment will be one worthy of patronage. The best amateurs and professionals in the city will participate in the program and Manager Ed. Lyons of the Colonial, has informed the entertainment committee that he will furnish several acts from his playhouse to work in between the acts of the amateurs, and everything points to an entertainment of the highest merit.

The Theatrical Mechanics' Association, of which Mr. Dunn was a member, is rallying to the work of making the memorial entertainment to Mr. Dunn a success, while all employees of the Academy have signified their desire to make the afternoon and night of Tuesday next one day in which they may do everything within their power to repay the good that Mr. Dunn did in the interest of amateur sports and theatrical affairs while he was in the land of the living.

The program committee is hard at work. A public meeting will be held on Thursday evening at the Jefferson auditorium to which all persons who desire to take part in the memorial entertainment are invited to attend. By Thursday the committee will have affairs arranged so that each act will fit in its proper place, and all will work towards making the matinee and the night performance amusing and interesting to the general public.

John Dunn, who rightly bore the title of "father of baseball" in Richmond, endeared himself to all of the amateur players in the city. His advice was often sought on matters pertaining to the game, and it was given with clearness and fairness to all, especially when disputes were to be righted. The interest he showed in the young men of Richmond encouraged the youngsters to cleave to clean sports. Appreciation of this interest will be shown by the work the boys will do in the disposition of the tickets for the memorial entertainment, and there will be keen rivalry in the sale of tickets.

Interest is added to the entertainment by the announcement that Henry S. Hotchkiss, of "Hotchkiss Honey Boy" minstrel fame, has consented to act as stage manager during the two shows. His ability to properly stage events of this character will insure the successful production of the mixed amateur-professional entertainment.

Rehearsals will go forward at once. The time is short, but it will not be necessary for the professionals to go over their acts, and the amateurs are well versed in what they will produce, so the memorial entertainment will be far and above a "first night" production. It will be one of the very best entertainments ever staged at the Academy of Music, and the number of entertainers will be in excess of the total which has appeared in other such events. The committee in charge of the entertainment hopes the demand for tickets will be great, that the tribute to a worthy man's memory may be in keeping with the good he has done and the freeness of his heart.

AWAITING FINAL COURT RULING

New Yorkers Will Not Reopen All Tracks, but Will Hold Short Meets.

New York, March 11.—Whether horse racing on New York State race tracks is to be resumed still was an open question after a meeting of representatives of the racing associations, at turf headquarters here, to-day.

"It is a very difficult problem to solve, and so far we have been unable to make any definite arrangements," was the announcement made at the conclusion of the conference, by Philip J. Dwyer, who represented the Brooklyn and Queens County Jockey Club.

None of the others at the meeting would say anything for publication. William A. Engeman, of the Brighton Beach Racing Association; August Belmont, of the Westchester Racing Association; and James Bull, of the Empire City Racing Association, Yorkers, were among those at the meeting.

The lower courts have held that oral betting is not a crime, and while in the absence of a final ruling there will be no general reopening of tracks, it is understood that a plan is on foot to have the associations pool issues and hold short meetings this season at Belmont Park, Saratoga, and perhaps two other courses.

BLUES ORGANIZE BASEBALL TEAM

First Game of the Season at New Ball Park to Be Played Saturday.

The Richmond Blues will put their first baseball team in action on Saturday afternoon at 4 o'clock against the strong nine from the Medical College of Virginia. This afternoon a practice game will be played on the Academy grounds, and the members of the Blues will work hard to get in proper condition for Saturday's game. The tentative line-up for the Blues will be as follows:

Billy Word, catcher; Wright, Van Pelt and Jones, pitchers; McKee, shortstop; Sweeney, first base; E. B. Rose, second base; Pitt, third base; E. Gibson, right field; E. Rose, left field; Richardson, centre field.

The Blues have demonstrated their ability on the gridiron and in track and field events, and feel confident that they can muster a baseball club which will do credit to the organization. Manager Fenton S. Jacobs is arranging an attractive schedule.

Fred Westervelt will umpire Saturday's game, and it will be the first "play ball" to be heard at the new baseball grounds, which will be in proper condition for the game.

J. B. Rees, of Lincolnton, Elected by A. & M. Athletic Association.

[Special to The Times-Dispatch.]
West Raleigh, N. C., March 11.—At a meeting of the A. & M. Athletic Association Saturday afternoon the following men were elected to manage the 1913-14 basketball team: manager, J. B. Rees, of Lincolnton; assistant managers, H. K. Witherspoon, Greensboro, and Dallas Daily, of Elizabeth City.

The caps which are to be worn by the members of the freshman class arrived last week, and all freshmen are now required to wear them. The cap is red, with a white button, and white numerals "13" for the four-year freshmen, and a white "A. M. C." on those worn by the short course men.

Last week the members of the senior textile class took an inspection trip to Charlotte, Gastonia and other points in that section. While in Charlotte they were entertained by the Manufacturers' Club. The following men composed the party: Professor Nelson, Professor B. M. Parker and L. C. Hand, T. R. Hart, C. G. Hall, T. A. Quickel, T. H. Purcell and W. C. Taylor.

With the close of the basketball season the final standing of the State League show that A. & M. leads the league, having won three and lost one. Wake Forest being second, with four won and two lost; Carolina third, with two won and three lost, and Elon fourth, having won one and lost four games.

Thursday, March 13, the midterm final examinations will begin, and the third term of the college year will begin on the 17th.

The members of the senior class basketball and the faculty basketball teams are busy every night in the gymnasium practicing for the game which is soon to be played in the Raleigh auditorium. This game is played each year just after the close of the basketball season.

DAUBERT'S TEAM DOWNS DAHLEN'S

[Special to The Times-Dispatch.]
Augusta, Ga., March 11.—Weather conditions were perfect for Manager Dahlien and his Superbas to-day. Three practice sessions were put through to-day, and a seven-inning game sandwiched between the last two this afternoon. As in yesterday's contest, Captain Dahlien's team came out the victors by a score of 5 to 2.

Manager Dahlien used a quartet on pitchers. Allen and Curtis pitched for the winners, and Rucker and Hall divided up the seven innings between them.

The timely hitting of this baseball team, who hit for a single and a triple. Moran, Kirkpatrick, Callahan and Dahlien contributed a quartet of doubles.

Callahan is the most likely looking youngster that Dahlien has brought South in some years. Several of the players are complaining of Charley horse, and other complaints, but the assistant trainer, Kelley, is showing his good results. Ty Cobb has asked Dahlien to change the date again for the game between his All-Georgians, with Rucker pitching, from March 12 to next Saturday. Dahlien has assented to the change.

ONE-ROUND BOUT TAIED IN COURT

Los Angeles Barber, in Suit for Damages, Describes Actor Barrymore's Punch.

Los Angeles, March 11.—The famous one-round bout, which took place last summer between Jack Barrymore, one of America's foremost actors, and Barber Martin Bergman, outside of a Fifth Street barber shop, was described again to-day in Judge Allen's court, where Bergman, who is suing Actor Jack for \$1,159 damages, took the stand to testify.

Attorney Bowen asked him what was Barrymore's first words after he had entered the shop, and Bergman replied that the actor did not say anything until after the shave was over. Then he said: "Give me the comb and brush."

The barber testified that he asked if he was dissatisfied with his work. "Then he threw the comb and brush in the wash basin," Bergman said. "I asked him what the matter. He turned and hit me in the eye."

Bergman then told of how he followed the actor out of the shop. It was here that the whirlwind wind-up took place. Barrymore is alleged to have knocked the barber half way through a backboard, stand with one of the famous Barrymore punches. Barrymore is in New York. The case is still being heard.

Charleston, S. C., March 11.—As an added attraction, an extra race was added to to-day's card at Palmetto Park. The crowd was small, however.

Samuel R. Meyers, at 7 to 1, beat Sherwood and Caugh Hill in the fourth race, the feature event of the day. Sherwood and Caugh Hill were favorites, but the latter, tired under the weight of 127 pounds, and finished a poor third. Sherwood finished second.

Gordon, a crack two-year-old, with 123 pounds on his back, beat Ruby Hyams, another fast youngster, in the third race. Colonel Cook added another victory to his growing string by beating Spellbound in the sixth race. It was the colonel's fifth victory during the present meeting. Results:

THORPE WALLOPS MATTY'S BENDERS

Marlin, Tex., March 11.—Jim Thorpe got a home run off Matty to-day. It was the only feature of the game between the Giant regulars and the Kirby retired in the second inning after twelve regulars connected for eight runs on seven hits, two errors and a base on balls. Then McGraw, who had seen umpiring, pitched the "nothing" ball to the regulars. They could not "find" the manager, but scored a run on errors.

Gould led off twirling for the regulars, and was not scored on. He gave way to Matty in the fourth. Big Six felt so good he remained to the finish, pitching six innings.

Chief Meyers, who injured one of his fingers last Thursday, worked behind the bat to-day for the regulars. Thorpe connected for the homer in the sixth, and Matty is still wondering how it happened.
